Give every child in need with a bright future!

The good times to be recalled
Draw with colorful pencils lying on bed in a warm house,
Play toy cars with friends,
Listen to the story in the mom’s arm,
All these good memories become our childhood

However, there are numerous children who are starving and dropping out now.
New toys, games and stationeries are just unreal dreams for them.
What they strongly desire is an opportunity to be educated.

All for the childhood
Let us give a hand to children in need to make their childhood better

WE
Scheme a gala party to recall the childhood
